## WORK

### **Birdsong Studios**

Product Designer • JULY 2023 - PRESENT

Lead design research + competitive analysis to help  
clients develop products and address user pain points.

### **Osmosis Labs**

Product Designer • OCT 2021 - OCT 2023

Designed the UIs that helped ~400k users deposit over  
\$2 billion USD and earn trading fees on their liquidity.

### **Creative Commons (Openverse)**

Product Design Contractor • JUN 2020 - MAR 2021

R&D'd the Openverse search experience—bringing traffic of  
7 million searches per month reducing search time by 75%.

### **Smart Haven Designs**

Experience Designer • MAY - DEC 2017

Designed product experience & shipped mobile and  
web UI for the patented, award-winning OnePlug.

## LEADERSHIP

### **Solana Fellowship**

Solana Fellowship Recipient • NOV 2021

Lead social activities at Breakpoint 2021 arranging  
dinners with Solana Foundation, investors and LPs from  
Delphi, Multicoïn, Pantera, Invicta, Ryze, and Mentha.

### **Haas School of Business**

Undergraduate Instructor • AUG - DEC 2017

Worked with NYT's bestselling author + professor, to  
lead students through "rejection therapy" exercises  
designed to invoke problem-solving while in discomfort.

### **Greenlining Institute: Casa Joaquin**

Scholarship | Organizer • AUG 2016 - JUN 2017

Worked to increase access to telecom resources for  
disadvantaged communities in the Bay Area. Served as  
UCB delegate at Student of Color Conference 2016-17.
